METRO PLUS SILENCER

“QUALITY, SERVICE & TRUST”

Company Profile

Established in the year **2021**, “**METRO PLUS SILENCER**” has been able to establish itself as a leading trader of an expansive series of Automobile Parts. In order to procure a reliable and premium quality range of products, we have joined hands with leading vendors in the market. This entire range of products is acknowledged for its wear & tear resistance, high strength and longer service life.

A dedicated team of procuring vendors are responsible for sourcing our products from most renowned vendors. We have appointed a team of experienced persons to check each and every product for dispatching and transportation defect and damage. We are supported by a state-of-the-art warehousing unit that ensures an secured and safe storage of the our impeccable products.

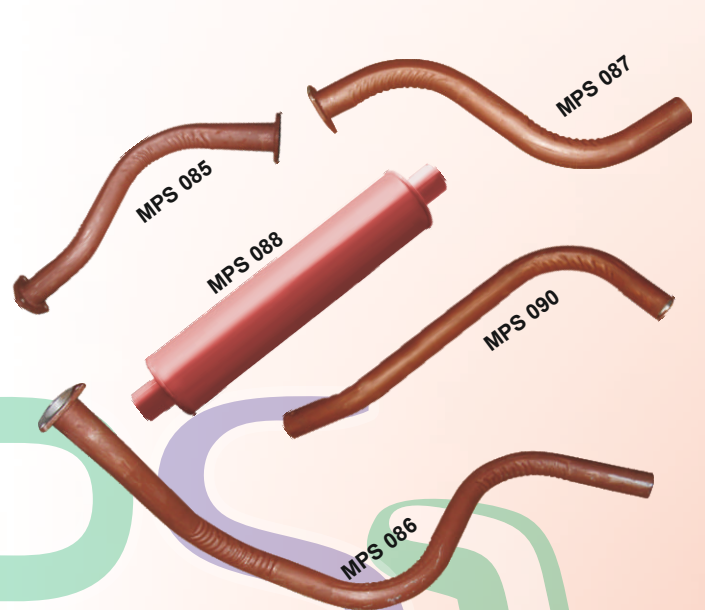

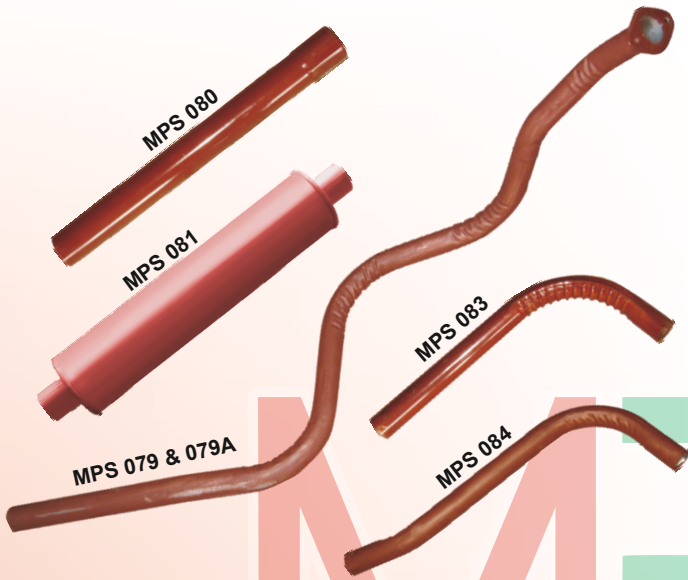

All of our business operations are managed by our mentor, ‘**Mr. Imrul Kayesh**’ who possesses the sharp understanding of the market requirements. Under this able guidance, we have progressed in leaps and bounds to carve a niche for ourselves in this sector. His sharp business wisdom and effective policies have helped us in sharing cordial relations with our existing clients and in extending our path of business.

Thanks
Imrul Kayesh
